

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions and listings of claims in the application:

LISTING OF CLAIMS:

1-9 (canceled).

10. (new): A game machine, comprising:

a main body;

a display device, operable to display a plurality kinds of images including a first game image;

a first switch, provided on an outer face of the main body; and

a second switch, disposed within the main body to select one of a plurality modes including:

a first mode, in which at least one of a plurality kinds of first images, which are selectable by the first switch, is displayed in the display device; and

a second mode, in which at least one kind of second image which is not controllable by the first switch is displayed in the display device.

11(new): The game machine as set forth in claim 10, wherein the modes includes a third mode in which a second game image is displayed in the display device instead of the first game image.
